Psalm 91:1-2

**1. He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty.
2. I will say of the LORD, He is my refuge and my fortress: my God; in him will I trust. (KJV)**

George Washington Carver discovered three hundred uses for peanuts and hundreds more uses for soybeans, pecans and sweet potatoes. He once said, **"Only, alone can I draw close enough to God to discover His secrets."**

There is no way for you or for me to discover the secret things of God apart from prayer and a study of His Word. We must be willing to spend time alone with God in our secret place of prayer to know the mysteries of His Kingdom.

I believe there has to be a time and place where we, on a regular basis, pour out our heart before God, where you are open and honest before Him, and you listen as He speaks to you through His Word and by His Spirit. Nothing will take the place of daily, consistent COMMUNION with Him!

Someone asked an old, seasoned Pastor what he attributed his long pastorate to – he said, **"I fight every battle on my knees!"**

In that secret place we find protection, restoration and revelation. If we lose that secret place of communion and fellowship with Jesus, we will become as Bunyan said, **"a painted flower that has not fragrance, a painted tree that has no fruit, and a painted fire that has no warmth."**

Remember, it is when we draw close to Him, we discover what He is up to in the world today!

**Please pray for the Pastors and their families
of the Upper South Carolina Conference.**

Heart Song

A brave little girl was taken to the hospital for a minor, but painful operation. When everything was ready, the doctor told her, "This is really going to hurt but you may scream and cry as much as you please." She looked up at him and said, "I would rather sing." All through the surgery she sang and went through the ordeal without a sigh or tear. Her Heart Song made all the difference.

What difficult trial are you going through today? Does it seem your world is turned upside down? Search deep within your heart and you will find a song hidden within that needs to come forth in glorious adoration to the only One who can help in times of trouble. Jesus is standing by waiting to hear your song of praise. He doesn't care if you sing off key, He only wants to hear your voice of praise as it ascends to the throne!

"You are the words and the music,
You are the song that I sing.
You are the melody —
You are the harmony,
Praises to your name I now sing!

You are the Mighty God,
You are the Lord of Lords,
You are the King of all Kings!
Now I return to You the song that You gave to me,
YOU ARE THE SONG THAT I SING!"

God created music and it can be heard through the singing of the birds, the whisper of the wind and to man, it has given the ability to sing praises to the Giver of the music. When all else fails, begin to sing and the clouds of despair will fade away.

FIND YOUR HEART SONG!
