Women of God . . .

As women of God, we are all different and we are called to fulfill different roles. We are God's unique gift; we are not made out of the same mold. God has planted us where we are for a special purpose. He doesn't expect us to grow and produce fruit like someone else. He wants us to grow and blossom where He has planted us.

"Those that be planted in the house of the Lord shall flourish in the courts of our God." Psalms 92:13

Many times we compare ourselves to someone else or someone in the church and become intimidated. When this happens, we cannot be all that God wants us to be. You are unique in the gifting that God has given you. He has a special place that only you can fill. Be the person that God put you in this world to be. He had a plan for you even before you were born and He only wants you to allow Him to fulfill this plan in your life. **"Smile" you are the apple of His eye!**

***"My grace is sufficient for thee; for my strength is made perfect in weakness..."
II Corinthians 12:9***

Many times we may feel we don't have all it takes to be a woman of God. Remember, God has promised that in our weakness He is strong and He will supply all we need to meet the demands. Remember: God first, husband second, children and church.

Ladies - **"Bloom where you're planted - God's grace is sufficient."** You are important to God! Your husband, your family and many around you are depending on you to show them the way to your heavenly Father.

As mothers, we all have a special calling to train up our children. We must not leave it to the educational system, the church or the government; it is our duty to see that our children are reared in the way that pleases God.

"Train up a child in the way he should go and when he is old he will not depart from it." Proverbs 22:6

Mothers — the greatest gift you can give your children is teaching them to love God, teaching them to pray and to read His word.

Have a Blessed Mother's Day!

I would like to take this opportunity to sincerely thank everyone for their prayers, visits, cards, food and gifts I received during my recent surgery. I am so thankful to be a part of the family of God!
