## ***Is Jesus In The Right Place?***

A mother, wanting to give her little boy something to keep him busy while she prepared her lesson for Sunday School, cut a map of the world in several pieces and told him to put it together. It wasn't long before the little boy returned with the map put together. Surprised, the mother asked him how he managed to put it together so quickly, it was easy: "there was a picture of Jesus on the back and I knew if I had Jesus in the right place, the whole world would be all right."

Is your world turned upside down? Does it seem that there is no way you can make it another day? Perhaps you need to check and see if Jesus is in the right place. So many times we try to do everything in our own strength and we end up making it worse. God's word tells us "Seek ye first the kingdom of God" - this means putting Him first in everything we do. He is our strength; on Him we can depend, He puts everything right in our life!

### ***JESUS***

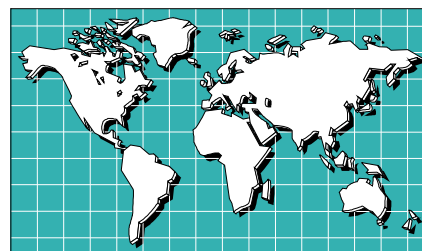

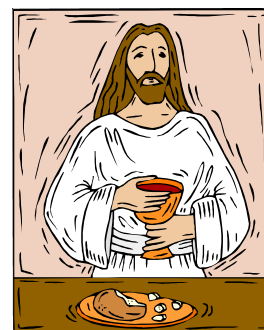

**Lonely? No, not lonely  
With Jesus standing by;  
His presence always cheers me,  
I know that He is nigh.**

**Friendless? No, not friendless  
Since Jesus is my friend;  
I change, but He remaineth  
True, faithful to the end.**

**Saddened? No, not saddened  
By scenes of deepest woe;  
I should be if I knew not  
That Jesus loves me so.**

**Tired? No, not tired;  
While leaning on His breast  
My soul has full enjoyment  
Of His eternal rest.**
