

Men's Ministries Quadrennial Report 2018

To the Bishop, the Executive Council, and delegates of Spirit Life Ministries let me begin by offering my true heart felt appreciation for the privilege I've had in serving as your Men's Ministries Director for the last 20 years. It's impossible for me to imagine how much my life has changed in serving in leadership in the Conference in this capacity. There are too many experiences for me to share in this report.

Thanks for every opportunity to minister to the men of Spirit Life and in many of our churches here and in other Conferences in the IPHC. We have also been able to represent our Conference in many different nations around the globe in both construction projects and in the training of leaders.

And so it is with a sense of sadness mixed with joy in knowing that this will be my last time in submitting a report to the Conference as Director of Men's Ministries. One more time, thanks Bishop Ray for the joy it has been to travel this journey, and then to the men of Spirit Life, you guys are God's Best!!!
