

**REPORT OF CONFERENCE WOMEN'S MINISTRIES DIRECTOR
QUADRENNIAL CONFERENCE
MAY 19, 2018**

Mr. Chairman, Bishop Ray Boggs and delegates of the 2018 Convention:

It has been both a privilege and joy to serve as director of Women's Ministries in the Upper South Carolina Conference for the past eight years. Many thanks to Bishop Ray Boggs, DM Director, Jason McCary and the Spirit Life Ministries Council for your encouragement and support. You have encouraged me, prayed for me, and inspired me to do things that I could not have done alone. My life has been enriched by the ladies that I have met along the path of this journey, and I am forever changed. To God be the Glory!

Many training and ministry opportunities have been made available to me as Conference Women's Ministries Director, and I am so grateful to have represented our Conference at these events. I have attended WM Director's Council, The Ignite Conference, General Conference, PowerChicks, Metro World Child, Vision 4 Education, and Harvest Train just to name a few. I have been honored to participate in training women in many parts of the world including Nicaragua, Ecuador, Dominican Republic and Hawaii. One event that I feel privileged to have been a part of was the 2014 WM Mission Trip to Spain. God has been so generous in His outpouring of blessings in my life since stepping into this position, and I give HIM all the praise.

I could not close this report without thanking my husband for his support in every step along the way. He has been my prayer partner, coach, teacher and pep squad all along this Women's Ministries journey. God has continually supplied our needs in this season of our lives, and HE has been faithful to every promise.
PRAISE HIM!

Grateful to Serve,
Meta Russo
